

SHETH C.D. BARFIWALA COLLEGE OF COMMERCE

Institutional Distinctiveness :

Our college caters mainly to students coming from modest income group. Many of our students are first generation students entering the higher education field. Though many students who study through Gujarati medium are not having Gujarati as their mother tongue and have studied till standard 12 in their mother tongue like Marathi/ Urdu/ Uriya/ Hindi. Most of our students travel in the range of more than 2 KM to 10 KM.

Thus we cater to heterogeneous groups of students enabling socio-cultural and financial inclusion. Our distinctiveness also comes with many challenges like time management of for 'earn while learn' students and their academic progression, effective written and oral communication in Gujarati medium of instructions, moderate self confidence, conducive home environment for studies, drop out due to more pressure of work / girl students marriage and so on. Also being governed by the state recruitment the post of permanent faculties are filled in with a big time lag due to various policy and procedural matters.

Recognizing the needs of our students to perform better academically and in personality development, to elevate the standard of living and more progressive social ecosystem, we are committed to accommodate the needs of good academic progress of students and overall personality development of students by regular teaching learning and extension activities as well as extra curricular activities.
