

Sheth C. D. Barfiwala College of Commerce, Surat.

Perspective Plan

Sheth C. D. Barfiwala College of Commerce has been imparting education for more than 50 years. The NAAC peer team visited the college during November 10 and 11, 2017 for the first cycle of accreditation and the College prepared the Perspective Plan for next 5-7 years after considering the following :

1. Vision and Mission of the College
2. NAAC peer team observations and suggestions during their visit
3. Recommendations of IQAC.
4. Feedback received from stakeholders.

Strengthening the Teaching- Learning Activities and students Progression

The college plans to strengthen the curricular, co-curricular and extra- curricular activities for the all-round development of the students.

- Add on courses

The institution also plans to continue add on courses such as TALLY Accounting and start courses related to life skills, employability skills and communication skills.

❖ Strengthening the feedback system

The college plans to strengthen the feedback system by making structural questionnaires for different stakeholders such as students, teachers, parents etc. This feedback system would help in incorporating the suggestions made by different stakeholders.

❖ Projects, field work and training for practical exposure in various organisation

The college plans to assign projects and field work and training to students. This will provide an exposure to students to modern commercial trends and practices.

❖ Strengthening of Computer laboratory

The college plans to strengthen the Commerce laboratory to enhance information regarding banking, tax planning, computerized accounting etc for updating the students learning .

❖ Strengthening of Placement Cell

In order to improve the quality and quantity of placements, it was decided to strengthen the Placement Cell by organising different seminars/ lectures/ guidance sessions for students and conducting more Job Fairs.

- encouraging more and more students for participation in co-curricular and extra-curricular activities
- remedial coaching
- career counseling
- encouraging students for self employment

Encouragement of Research, extension and Collaboration Activities

The faculties will be encouraged to pursue Ph.D. and are also encouraged and motivated to attend Conference/ Seminar / Workshop and FDP programs. They are also motivated to present and publish research papers in journals. To create a research oriented environment, the college plans to set up a research lab.

❖ Organising Seminars/Workshops

The college plans to organise seminars/ workshops/ Panel Discussion/FDP for the faculties and students, so that the academic atmosphere of the college can be upgraded.

❖ Active Alumni Association

❖ More working MOUs

Vibrant Women Empowerment Cell

Looking at the strength of female students, the college plans to organize more activities in Women Empowerment Cell through which the activities related to women may be implemented.

Jointly with the combined efforts of Management, IQAC team, the infrastructure requirements -Academic, Research, Physical - for the institute are identified and resource mobilization with internal and external funding are to be fulfilled.

The mechanism to monitor the progress shall be made through -

- Regular meetings of the LAC, IQAC and different committees are held regularly.
- The feedback system is in place.
- Policies and plans are constituted, monitored and evaluated by IQAC.
- Whenever opportunities arise, application for UGC grant / RUSA grant or any such grant for funding infrastructure augmentation has to be availed.
- The college has to organize seminars, conferences and workshops for students, office staff and faculties on regular basis.

Participative management, involvement of faculties and focus on students progression are given importance in the successful implementation of the strategic plan.
